## School Profile

Purpose	<p>Terang College is a school where students of all ages are encouraged to grow both academically and emotionally to ensure that they become active members of our local community.</p> <p>The College has a major emphasis on academic rigor and high expectations but overriding all others is the wellbeing of the students, staff, and parents and ensures they become confident, contributing members of their communities.</p>
Values	<p>At Terang College our programs and learning aim to foster tolerance and respect of others as well as respect for the local and global environment, but most importantly a respect for themselves in their learning and growth.</p>
Environmental Context	<p>Terang College is a P-12 Learning Environment that has three distinctive stages of learning. The original Terang Primary School caters for students in Years Prep to 4 whilst at the Strong Street Campus we have students from years 5-12. There are currently 400 students enrolled at the College and these numbers have remained steady over the past four years. The environmental context can be best described using the following sub-headings.</p> <p>Social/Community Demographics</p> <ul style="list-style-type: none"><li>• The only Government provider in Terang</li><li>• Numbers have increased in recent years</li><li>• Very supportive Parents Association and College Council.</li><li>• A strong and committed staff that contains a combination of experienced staff and graduate staff.</li><li>• Productive relationships with outside agencies such as Westvic Workforce.</li></ul> <p>Educational</p> <ul style="list-style-type: none"><li>• Implementation of the Victorian Education Learning Standards.</li></ul>
